Subject: Anna Danielyan and Welcome Voyage: Exceptional Armenian Travel Logistics

To Whom It May Concern:

I have worked with Anna Danielyan as the Armenia logistics director for the Monterey Summer Symposium for three consecutive summers (2023-2025). My experience working with Anna Danielyan has been flawless.

Anna handled every aspect of our complex academic program with remarkable efficiency—ground transportation, accommodations, connections with local businesses, and countless logistical details. Her responsiveness and problem-solving ensured our participants could focus entirely on Armenia's intellectual, historical, and cultural richness.

What sets Anna apart is her deep understanding of how to work with western clientele, her appreciation of culture, and people. She curated experiences that brought our program to life, connecting us with the right people and places. Her network, judgment, and cultural sensitivity are invaluable.

I enthusiastically recommend Welcome Voyage for educational, cultural, or professional travel in Armenia. Anna Danielyan has earned my complete trust and highest recommendation.
